

## ARTIST OF MONTH FOR OCTOBER 2016

The Ferry Park Gallery artist of the month for October is Gloria Lee.

Gloria has always had an interest in sewing & knitting, but being busy with children and the bookwork from a carrying business she was involved in with her husband, she did not have time to devote to her craft. Then came retirement and ten years ago Gloria purchased an embroidery machine and since then has been busily embroidering. As with all hobbies, after you have been busy making things, there comes a time that you have to sell them. She began with the market scene for about three and a half years, before being accepted into Ferry Park as an exhibitor. While her displayed work is mainly on towels & washers she has also embroidered on tablecloths and tea towels.

As well as Ferry Park Gloria also has work available in Ulmarra as well as supplying the Maclean Scottish Town shop with all things Scottish.

Since becoming involved with the LCACA she has enjoyed the company and comradery of the other exhibitors, as well joining the Committee to lend assistance with the management of the Gallery.
