

## Artist of the Month

Winter has finally arrived, so a visit to Ferry Park Gallery on the highway at Maclean is a must. The front display is decked out with a special display of winter woollies. The spinners & weavers have been busy knitting beautiful scarves & beanies. You can even purchase a ball of spun wool to knit yourself. You will also find lovely warm knitted gloves & bed socks. If you are looking for a rug we can help you with that. We even have a woven bag that can to be used as an accessory.

Baby is catered for with cot quilts and baby booties & lovely little jackets.

Ferry Park Gallery is open every day from 9am to 5pm. For more photographs and information visit the website [www.ferrypark.org](http://www.ferrypark.org) or Facebook: Ferry Park Gallery
